Color Palette Painting Reimbursement Application

This is to certify that the entire exterior of the building owned by me, located at:

has been painted within the last two years, in a color that is not in compliance with the current Commercial District Color Palette adopted by the City of Miami Springs. I hereby apply for a reimbursement of the amount that I spent on paint for the previous painting of my building, not to exceed \$1,000. Attached are documents and receipts to support my request for reimbursement. I understand that if my application is approved, I will need to repaint the exterior of my entire building in compliance with the City's approved Color Palette within thirty days of the date of approval. Upon completion of the repainting and verification by the Building Department, the paint cost reimbursement amount approved will be issued to me. I also understand that only the cost of the paint, plus tax will be eligible, and not labor and other costs associated with the painting.
