Distributions to a member shall not extend beyond the life of the member or the lives of the member and his designated beneficiary, or over a period not extending beyond the life

~~expectancy of the member or the life expectancy of the member and his designated beneficiary.~~

Where a form of retirement income payment has commenced in accordance with the preceding paragraphs and the member dies before his entire interest in the plan has been distributed, the remaining portion of such interest in the plan shall be distributed no less rapidly than under the form of distribution in effect at the time of the member's death.

(B) If the member's death occurs before the distribution of his interest in the plan has commenced, the member's entire interest in the plan shall be distributed within five years of the member's death, unless it is to be distributed in accordance with the following rules:

(1) The member's remaining interest in the plan is payable to his spouse, issue or dependent;

(2) The remaining interest is to be distributed over the life of the spouse, issue or dependent or over a period not extending beyond the life expectancy of the spouse, issue or dependent; and

(3) Such distribution begins within one year of the member's death unless the member's spouse is the sole designated beneficiary, in which case the distribution need not begin before the date on which the member would have attained age 70 ½ and if the member's spouse dies before the distribution to the spouse begins, this section shall be applied as if the spouse were the member. ~~If distribution has commenced to a member, and such member dies before receiving his entire interest, the remainder of such interest shall be distributed over a period at least as rapidly as under the method of distribution in effect prior to such member's death (e.g., remainder of period certain basis).~~

(C)

Sec. 35-30.4. Miscellaneous.

(A) Upon the termination of the plan or on the complete discontinuance of contributions under the plan, each member shall have nonforfeitable, 100% vested rights to benefits accrued to date of the termination or discontinuance to the extent funded at that time.

(B) No pension provided hereunder shall be assignable or subject to part of the corpus or income of the fund be used for, or diverted to, purposes other than for the exclusive benefit of members and their beneficiaries and until those liabilities are satisfied, all city contributions will remain in the fund for the benefit of the members or beneficiaries in the event the plan is terminated or city contributions cease.

Sec. 35-46. – Direct transfers of eligible rollover distributions.

- (A) General. This division applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the system to the contrary that would otherwise limit a distributee's election under this division, a distributee may elect, at the time and in the manner prescribed by the board, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.
- (B) Definitions. For the purpose of this section, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

Direct rollover. A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee. Effective as of January 1, 2008, a non-spouse Beneficiary may make a direct rollover only to an "inherited" individual retirement account as described in Section 408(b) of the Internal Revenue Code. If a non-spouse Beneficiary receives a distribution from the Plan, the distribution is not eligible for a 60-day (non-direct) rollover.

Distributee. A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse is a distributee with regard to the interest of the spouse. Effective as of January 1, 2008, an Employee's or former Employee's non-spouse Beneficiary is a distributee with regard to the interest of the Employee or former Employee.

Eligible retirement plan. An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity plan described in section 403(a) of the Code, or a qualified trust described in section 401(a) of the Code, that accepts the distributee's eligible rollover distribution. However, in the case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or individual retirement annuity. Effective for distributions made after December 31, 2001, an eligible retirement plan shall also mean an annuity contract described in Section 403(b) of the Internal Revenue Code and an eligible plan under Section 457(b) of the Internal Revenue Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan.

Eligible rollover distribution. An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code; and the portion of any distribution that is not includable in gross income.

Section 2. Repeal of Conflicting Provisions. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Re: Miami Springs General Employees' Retirement System

Dear Audrey:

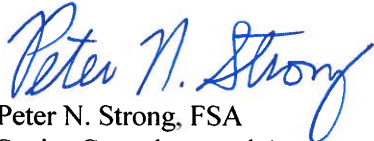

We have reviewed the proposed ordinance (Ordinance No. _____ - 2015) received by our office on May 4, 2015. This ordinance would amend the Miami Springs General Employees' Retirement System to comply with the current provisions of Internal Revenue Code Sections 401, 414 and 415. This ordinance would also clarify the System's definition of Actuarial Equivalence, add "USERRA" qualified military service and "Differential Wage Payments" definitions, provide for System death benefits for participants who die while performing qualified military service, amend the definitions of "Direct Rollover", "Distributee" and "Eligible Retirement Plan", and add exclusive benefit and non-forfeitable rights language.

In our opinion, this proposed ordinance will not have an actuarial impact on the cost of the Retirement System.

A copy of this letter along with the proposed ordinance should be sent to the Division of Retirement.

We welcome your questions and comments.

Sincerely yours,

Peter N. Strong, FSA

(J) *Limitation on benefits.*

(1) In no event may a member's annual benefit exceed the lesser of:

(a) ~~Ninety thousand~~ One hundred sixty thousand dollars (adjusted for cost of living in accordance with IRC section 415(d), but only for the year in which such adjustment is effective), or

(b) One hundred percent of the member's average annual compensation for the member's three highest paid consecutive years; however, benefits of up to \$10,000.00 a year can be paid without regard to the 100 percent limitation if the total retirement benefits payable to an employee under all defined benefit plans (as defined in IRC section 414(j)) maintained by the employer for the present and any prior year do not exceed \$10,000.00 and the employer has not at any time maintained a defined contribution plan (as defined in IRC section 414(i)) in which the employee was a participant.

All distributions from the plan (including the DROP) shall conform to the regulations issued under Section 401(a)(9) of the Internal Revenue Code, including the incidental death benefit provision of Section 401(a)(9)(G) of the Internal Revenue Code. Further, such regulation shall override any plan or DROP provision that is inconsistent with Section 401(a)(9) of the Internal Revenue Code.

- (b) The remaining interest is to be distributed over the life of the spouse, issue or dependent or over a period not extending beyond the life expectancy of the spouse, issue or dependent; and
- (c) Such distribution begins within one year of the member's death unless the member's spouse is the sole designated beneficiary, in which case the distribution need not begin before the date on which the member would have attained age 70 ½ and if the member's spouse dies before the distribution to the spouse begins, this section shall be applied as if the spouse were the member.

Sec. 35-55. - Contributions.

(A) *Member contributions.*

(1) *Amount.* Members of the system shall make regular contributions to the fund equal to nine percent of their respective earnings. The contribution rate shall be subject to division (C) below. The City agrees to assume and pay member contributions in lieu of direct contributions by the members, such contributions shall accordingly be paid into the system in behalf of the members. The City shall, solely for the purpose of compliance with Section 414(h) of the Internal Revenue Code, pick up members contributions required to be made by members on earnings paid with respect to payroll periods upon this section

becoming effective. No member subject to such agreement shall have the option of choosing to receive the contributed amounts directly instead of having them paid by the City directly to the system. All such contributions by the City shall be deemed and considered as member accumulated contributions and subject to all provisions of this system pertaining to accumulated contributions of members.

- (D)

(E) No pension provided hereunder shall be assignable or any part of the corpus or income of the fund be used for, or diverted to, purposes other than for the exclusive benefit of members and their beneficiaries and until those liabilities are satisfied, all City contributions will remain in the fund for the benefit of the members or beneficiaries in the event the plan is terminated or City contributions cease.

(F) USERRA. Notwithstanding any provision of this plan to the contrary, effective as of December 12, 1994, contributions, benefits and service credit with respect to qualified military service will be provided in accordance with Section 414(u) of the Internal Revenue Code of 1986, as amended, USERRA, and Chapters 175 and 185, Florida Statutes, as applicable.

Sec. 35-59. - Miscellaneous.

- (A)
- (B)
- (C)
- (D)
- (E)
- (F)

- (1)
- (2)

(a)

(b) *Eligible retirement plan.* An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an annuity plan described in section 403(a) of the Code, or a qualified trust described in section 401(a) of the Code, that accepts the distributee's eligible rollover distribution. ~~However, in the case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or individual retirement annuity.~~ Effective for distributions made after December 31, 2001, an eligible retirement plan shall also mean an annuity contract described in Section 403(b) of the Internal Revenue Code and an eligible plan under Section 457(b) of the Internal Revenue Code which is maintained by a state, political

subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan.

- (c) *Distributee.* A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse is a distributee with regard to the interest of the spouse. Effective as of January 1, 2008, an Employee's or former Employee's non-spouse Beneficiary is a distributee with regard to the interest of the Employee or former Employee.
- (d) *Direct rollover.* A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee. Effective as of January 1, 2008, a non-spouse Beneficiary may make a direct rollover only to an "inherited" individual retirement account as described in Section 408(b) of the Internal Revenue Code. If a non-spouse beneficiary receives a distribution from the plan, the distribution is not eligible for a "60-day" rollover.

(3) Retiree medical premiums for public safety officers. The system may allow a public safety officer to elect a tax free distribution of up to \$3,000 annually directly to a retiree medical plan for long term care insurance on a pre-tax basis, so long as the public safety officer separates from service either at the plan's normal retirement age or due to his or her disability. Insurance premiums may be paid for the public safety officer, his spouse or his dependents while he is alive, but once he is deceased, the benefit ceases and may not be used by his spouse or beneficiaries to pay for their insurance premiums. Insurance premium payments may only be made directly to the insurance company. "Public safety officers" include law enforcement officers, firefighters, chaplains, rescue crew members or ambulance crew members.

Re: Miami Springs Police and Firefighters' Retirement System

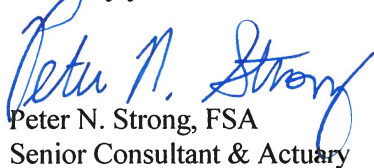

Dear Audrey:

We have reviewed the proposed ordinance (ordinance No. ____-2015) received on May 4, 2015. This ordinance would amend the Miami Springs Police and Firefighters' Retirement System to comply with the current provisions of Internal Revenue Code Sections 401, 414, and 415. This ordinance would also clarify the System's definition of Actuarial Equivalence, provide for System death benefits for participants who die while performing qualified military service, add exclusive benefit and "USERRA" qualified military service definitions, and allow tax free distributions of up to \$3,000 per year directly to a retiree medical plan for long-term care insurance.

In our opinion, this ordinance will not have an actuarial impact on the cost of the Retirement System. A copy of this letter along with the proposed ordinance should be sent to the Division of Retirement.

We welcome your questions and comments.

Sincerely yours,

AGENDA MEMORANDUM

Meeting Date: 5/27/2015

To: The Honorable Mayor Xavier Garcia and Members of the City Council

Via: Ron Gorland, City Manager
William Alonso, Asst. City Manager/ Finance Director

From: Tammy Romero, Professional Services Supervisor

Subject: Contract with DRC Emergency Services piggybacking from the City of Doral's contract

RECOMMENDATION:

Recommendation by Public Works that Council authorize staff to enter into a one year contract with DRC Emergency Services, as the City's secondary contractor for Debris Removal, Reduction & Disposal Services after a hurricane or other disaster, piggybacking off of the City of Doral's ITB #2013-14 agreement for Emergency Debris Removal Services, pursuant to Section §31.11 (E)(5) of the City Code. There is no cost to the City unless we actually utilize their services. The City contracted with a primary contractor (Crowder-Gulf) via a piggyback with the City of Aventura, which was presented at the last Council meeting.

DISCUSSION:

FEMA requires that a contract be in place prior to a hurricane or other disaster so that we can have them ready to clear roadways as soon as we receive the "all clear".

FISCAL IMPACT: None, as there is no cost to the City until any services are actually utilized.

- Newly approved “Florida Room” construction by Miami-Dade County (construction material is the primary issue)
- Roof requirements for new style parapet roofs being constructed
- Window wraps used as signage or to simply impede viewing access to storefronts
- Murals as an alternative or supplement to painting requirements in commercial areas
- Political sign ordinance provisions; additional restrictions or more detailed explanations for current provisions
- Limitation or better explanations for use of flat roofs in City
- Consideration of revisions to the City noise ordinances; adoption of new technical measuring procedures and standards

The aforesaid listing may be replaced or expanded at the discretion of the City Council.

From: Ulises Fernandez, Director, Building and Code Compliance

Subject: Business Tax Increase

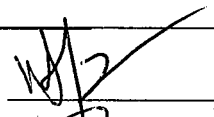

RECOMMENDATION: Recommendation by Bldg. & Code Compliance that Council approve an increase of 5% in the Local Business Tax Fees for FY 2015-2016.

DISCUSSION: Florida State Law allows for the increase of Business License Tax Fees every two years. We last increased our fees in 2013. Therefore we hereby recommend that the fees be increased by the 5% amount allowed by law. We have created a spreadsheet showing what the fee increases will be on a license by license basis. Our fees are still significantly lower than the average of other local communities, most of whom are following this same procedure every two years. We would like to request that this be approved as soon as possible, so that we can input the changes into our computer system in time for the end of August mail out of the invoices for the new fiscal year.

If you have any questions or need further information about this recommendation, please let me know. Attached are the referenced charts and a list of our License types with the new fee written in if the 5% increase is approved.

FISCAL IMPACT: This will increase our Business Tax Revenue by approximately \$3,600.

AGENDA MEMORANDUM

Meeting Date: 5/27/2015

To: The Honorable Mayor Xavier Garcia and Members of the City Council

Via: Ron Gorland, City Manager *[Signature]*

From: William Alonso, Assistant City Manager/ Finance Director *[Signature]*

Subject: FY 2015-16 Budget Process and Timeline

In preparation for the upcoming budget season, we wanted to provide our new Council with a general outline of the budget process we will be following in the coming weeks and months. The following are some key dates as well as key considerations:

1. During May and June 2015, we will be working with Department Heads to develop their core budgets for next year. Core budget is defined as funding needed to maintain current levels of service. Councilmembers should be thinking about any programs, services, or other projects they would like to pursue in next year's budget and advise staff so we can provide the \$ and millage impact of these items.
2. We will be receiving our preliminary property tax assessment on June 1st, 2015 so that we can begin to develop our revenues for next year. Then on July 1st, 2015 we will receive the final tax assessments from the Property Appraiser's Office. This is the number that we will use to calculate our ad valorem tax revenue for next year. FYI, Pedro Garcia, Property Appraiser, stated at a luncheon on May 15 that all Miami Dade County municipalities will see increased assessed values for next year.
3. On July 30th, 2015 Council will meet at a special meeting to vote on a "millage cap" for FY15-16. The millage selected at this meeting may be reduced during the budget meetings, however, it cannot be increased above that cap. For this special meeting, we will provide Council with various budget scenarios at different millage rates. We will provide a draft core budget summary based on the current millage of 7.6710 and corresponding surplus/deficit, one based on the "rollback rate" which is the millage rate that when applied to this year's assessed value will provide the same amount of ad valorem tax revenues as the prior year and the corresponding deficit, and finally we will provide one based on the millage required to balance the budget.
4. As part of the budget workshops, we will provide Council with a list of possible programs/services/projects that may be added/deleted from the budget along with \$'s and millage impact.

5. We have scheduled budget workshops for August 3rd and 17th, however, Council may schedule additional dates if necessary. The two required public hearings are scheduled for September 14th and 28th. Changes to the budget may be made through the Sept. 28th meeting.

6. The following are some key challenges and budget assumptions for next year:
 - We will have 10 employees leaving the DROP plan next fiscal year and their payouts for vacation/sick days accrued will be approx. \$266,000.

 - We are projecting a 10% increase in health insurance as well as an overall 1.5% increase in costs of services and supplies the City procures.

 - Consideration of a pay increase for all employees (excluding City Manager and Assistant City Manager/Finance Director).

 - We will be recommending setting up the Building Operation as its own Special Revenue Fund and not part of the General Fund. This is done so that we can properly account for the revenues and expenses of this operation in accordance to State guidelines that building permit fees should only be used to fund the Department's expenditures and not generate a "profit". By segregating this operation we will be able to more accurately estimate if the current fee structure is appropriate or needs to be adjusted. The Code Compliance function will remain as part of the General Fund.

 - The new aquatic facility is scheduled to open as of June 1, 2016. Budget will include projected revenues and expenses for the four month period (June-Sept 2016).
