Congratulations to our newly elected District 6 County Commissioner Kevin Cabrera! The most pressing County issue before us is the Miami Springs annexation. We encourage Miami Springs residents and business owners to email Commissioner Cabrera at the link below to congratulate him and ask that under his new leadership the Miami Springs Annexation is finally achieved. Be sure to include your name and address in your email.

More great news for Miami Springs as yesterday Governor DeSantis awarded our city \$2 million for citywide stormwater improvements to address flooding and water quality issues.

Thank you, Governor.

1926 photo of the City Ice and Fuel Company in Country Club Estates(Miami Springs). This ice plant was located on what is now Swallow Drive just north of the Lions Club in Miami Springs.

The City of Miami Springs has partnered with SeeClickFix to announce a new platform that will allow citizens to report quality-of-life issues and request Miami Springs services.

With free SeeClickFix mobile app and web tools, Miami Springs residents will now be able to provide Miami Springs staff with pictures, videos, specific descriptions, and more — valuable information needed to get the job done efficiently. In addition, the SeeClickFix platform provides Miami Springs officials with a centralized issue management system to manage issues from creation to resolution — engaging Miami Springs residents throughout the process.

**COMING
SOON....**

Get Connected. Get Involved. Get Results.

Miami Springs Click & Fix is the fastest, easiest way for you to submit non-emergency requests to your community, stay updated, and initiate change in your community.

SeeClickFix

The New Alert Miami Springs is a free service to all Miami Springs residents and business owners. All landline owners will automatically receive a voice-recorded message with important and/or emergency messages.

If you wish to add any other devices, click the button below to register your cell phone, email, home and/or business phone, and hearing-impaired devices. You can enter up to five numbers to receive these alerts (e.g.: home, business, child's school, and/or another family member).

We also encourage you to download the free Everbridge app to stay tuned with the most recent "Alerts". Remember, if we can't reach you, we can't alert you!

Click the button below to sign up.
