**Yesterday, the County Commission directed the County Attorney to prepare the ordinance and interlocal agreement to effect the Miami Springs annexation. The ordinance and agreement will be considered by the County Commission at a future meeting. The City Council will also consider the interlocal agreement for approval at a future meeting.**

**The city has been pursuing annexation for the past twenty years and we are now finally seeing the light at the end of the tunnel.**

**Annexation will allow us to significantly reduce millage rates for all our residents and businesses while still providing the excellent levels of service everyone has been accustomed to.**
