Do you check on your elderly neighbors?

We love and care about our elderly community!

How often do you check on your parents? How about your elderly neighbors? It's so easy to get caught up in work, errands, and family life that you might not think about how the elderly men and women around you are doing.

How Often Should You Check In?

It doesn't take long for a situation to become dangerous. If you have elderly neighbors, introduce yourself. You don't want to show up at their home unannounced and surprise them but you should let them know who you are, where you live, and that you're happy to help if they ever need it.

If you need to do a wellness check on a neighbor, who should you contact?

- The Miami Springs Police Department (305) 888-9711
