## In the Spotlight

### Free CPR classes were held at Aquatic Center

Free courses in cardiopulmonary resuscitation, in short CPR, were given at the Miami Springs Aquatic Center multi-purpose room, on Saturday, July 14, during the hours of 9 a.m., 10 a.m., and 11 a.m. This community CPR event was organized by Christopher Castro, resident and CPR/First Aid/OSHA Instructor for the United States Coast Guard Auxiliary for the sole purpose of providing residents with basic emergency life-saving procedures that are to be performed when the human heart stops beating. According to the American Heart Association, immediate CPR can double or triple the chances of survival after cardiac arrest.

Participants were able to perform adult and infant hands-only CPR on very realistic manikins, as they followed along with the instructor and training video. CPR training certificates were given to all participants at the end of each session.

Additionally, this event was fully supported by The American Heart Association, whom handed out literature at the event such as tips on how to stay healthy. There were also prize giveaways of inflatable manikins, so that the winners can pass on the knowledge on how to properly perform CPR.

Miami at Night by Robert Holmes

## ART IN MIAMI SPRINGS

Enjoy exciting new works of art in a variety of mediums at the City of Miami Springs Gallery Space located in the lobby of City Hall @ 201 Westward Drive. All exhibitions are free and open to the public, Monday-Friday from 8am-4:45pm. During August & September, the Gallery will feature the photographs of local Artist, Robert Holmes.

Join us for the exhibition opening and meet the Artist on Monday, August 13 from 6:30-8:30pm. Mr. Holmes' work will be on view until September 28.

**About Robert Holmes:** Robert Holmes is a long time (61 Year) resident of Miami Springs and former founder and owner of Aero Systems, Inc. Upon retirement in 1994, Mr. Holmes and his wife moved to Marathon. After about six months of retirement, Mr. Holmes realized that he could not go fishing every day. Being an old workhorse, he needed something productive to do. The Holmes' returned to their home in Miami Springs and Mr. Holmes got deeply involved in his prior hobby, Photography, beginning a second career.

After ten years doing Portraiture, Wedding and Graduation Photography, Mr. Holmes discovered, his passion, Gigapan Photography. Gigapan Photography allowed him to take huge pictures with infinite detail. Mr. Holmes has spent countless hours on balconies and rooftops taking his Gigapan City Scape Panoramas. When he is not in the field taking pictures, he is at his computer processing and stitching them together to produce his awesome City Scape Panoramas. Mr. Holmes' work has been exhibited at ArtPalmBeach, ArtBocaRaton and numerous Art Fairs.

## New Medicare Cards are Coming

The new Medicare ID card, which has been redesigned to prevent fraud, no longer includes a Social Security number and displays a unique combination of 11 letters and numbers, rather than a beneficiary's social security number. It is still red, white and blue. The new Medicare Number is a unique combination of numbers and letters. The new number uses numbers 0 thru 9. The letters S, L, O, I, B, and Z are never used. Mailings of the new cards have started and Floridians will start to receive the new Medicare ID card soon. Beneficiaries should make sure their addresses are correct. If you need to make a change, contact the Social Security Administration, which will be preparing and mailing the cards, <https://www.ssa.gov/myaccount/> or by calling 1-800-772-1213.

If you're on Medicare and waiting for your new card, you can sign up to receive an email telling you when the new ID is on its way at <https://www.medicare.gov/newcard/>

Once you get your new Medicare card, destroy your old Medicare card and start using your new card right away.

New members will receive the new card as soon as they sign up. The Medicare ID card, which has randomly assigned combination of numbers and letters has no con-

nection to an enrollee's personal information.

### Watch out for scams

The new Medicare cards are a step forward for fraud prevention, but con artist are working overtime on new ways to scam Medicare Members. Scammers are posing as Medicare representatives are already calling beneficiaries demanding a processing fee. There are no fees required to obtain the new card. Other fraudsters are telling beneficiaries that they are owed a refund from transactions on their old card and then asking for bank account information in order to process the reimbursement. Medicare will never ask an enrollee for a bank account number, and no refunds are owed.

Medicare will never call you uninvited and ask you to give personal or private information to get your new Medicare Number and card. Con artist may try to get personal information (like your current Medicare Number) by contacting you about your new card. If someone asks you for your information, for money, or threatens to cancel your health benefits if you don't share your personal information, hang up and call 1-800-MEDICARE (1-800-633-4227).

## BUILDING & CODE COMPLIANCE DEPARTMENT

### GARBAGE, TRASH AND ALL THAT RUBBISH

Recently we have had many complaints from residents and Public Works sanitation Department regarding the placement of trash on the swales, of recyclable bins being left out on swale for days, and the placement of non-combustible materials in the trash pickup areas.

Properties with alley ways can place their trash behind their property if they don't obstruct the right-of-way for the City Vehicles. Recycling bins need to be brought into the property within 24 hours from pick up date.

Construction materials, tires, concrete or other non-combustible materials will not be pickup by the Sanitation Department; there are special locations to be taken in Miami Dade. Please call 311 for areas according to the materials to be disposed.

Multi-Family buildings and commercial buildings can only place the trash 24 hours prior to the pickup date. In cases where copious amounts of trash will be placed, please call Public Works Department for special pickup.

The City appreciates your cooperation with this important matter to keep our City looking beautiful.

• **Sec. 93-05. - Garbage, garden trash, and rubbish; placement in receptacles for collection and removal; placement for pick-up and retrieval of containers.**

• (D) Loose trash, including bagged materials, white goods, furniture, and any other non-containerized or containerized trash materials may not be placed for pick up by any multi-family residential or commercial site adjacent to any City street earlier than 24 hours prior to any scheduled pick up. Any receptacles used for the disposal of these materials must be retrieved and returned to the interior of the site within 24 hours of pick up.

• (E) In addition to the provision of subsection (D) above, all recycling containers may not be placed for pick up by any multi-family residential or commercial site adjacent to any City street earlier than 24 hours prior to any scheduled pick up. All recycling containers must be retrieved and returned to the interior of the property site within 24 hours of pick up.

• (F) The provisions of subsections (D) and (E) above shall not be applicable to any pick ups performed in City alleys and in the single family residentially zoned districts of the City

### Water Restrictions

• Watering is not allowed between 10 a.m. and 4 p.m.

• Hand-watering with one hose fitted with an automatic shut-off nozzle is allowed for 10 minutes per day for landscape stress relief and to prevent plant die-off.

• Restrictions apply to all users of any water resource within Miami-Dade County, whether from publicly or privately-owned water utility sewer systems, private wells or private connections to surface water bodies.

Residents and businesses with an ODD-numbered street address (ending in 1, 3, 5, 7, 9):

• Lawn watering is permitted on WEDNESDAYS and SATURDAYS from 4 p.m. to 10 a.m.

Residents and businesses with an EVEN-numbered street address (ending in 0, 2, 4, 6, 8\*), no street address, or who water both even and odd addresses within the same zones, including multi-family units and Homeowner Associations:

• Lawn watering is permitted on THURSDAYS and SUNDAYS from 4 p.m. to 10 a.m.

Residents should choose from one of two "watering windows" (before 10 a.m. or after

4 p.m.) on their designated irrigation days. For the most efficient use of water, residents should avoid irrigating during both time periods on the same day.

To report a water restriction violation, visit the 3-1-1 submit a service request website and select Other under the All tab or call 3-1-1.

### Some exceptions

Restrictions don't apply for car and boat washing, pressure cleaning of paved surfaces, decorative fountains and water-based recreation (e.g. swimming pools, water slides).

Users of 100 percent reclaimed water are exempt from restrictions, but encouraged to conserve water.

Low-volume irrigation, including the use of drop and micro jet systems that apply water directly to plant root zones, is not restricted but is encouraged to be reduced.

Newly-planted gardens and landscaping.

New landscaping can be watered during the corresponding hours listed above every day, except Fridays, for the first 90 days it is installed. Save the receipt with the date of purchase. When unable to water during specific hours, call 3-1-1.

The Parks and Recreation Department serves as a community resource for all of the sports, recreational, and cultural activities in the city, including cooperative relationships with all local groups. The Department is composed of two main buildings and three fields: The Community Center and The Aquatic Center, and Prince Field, Stafford Park, and Peavy Dove Field, to provide opportunities for residents to improve their social, mental, and physical well-being through participation.

Below you will find the times and dates for these programs and special events.

The Miami Springs Senior Center offers a variety of FREE activities and services to older residents of Miami Springs and Virginia Gardens, age 60 and over. Current financial and programmatic support comes from: the City of Miami Springs, the Alliance for Aging, Inc., the Florida Department of Elder Affairs, the Village of Virginia Gardens, Mount Sinai Medical Center, participant donations, local business organizations, medical doctors, civic groups and countless volunteers.

**CONGREGATE MEALS:**

Hot lunch meals are served weekdays from 11:30 a.m.-12:30 p.m. to assist area seniors in maintaining a nutritionally balanced diet and to provide opportunities to volunteer and socialize with their peers.

**TRANSPORTATION:**

Daily pick up, utilizing the Hialeah-MS Rotary Charitable Foundation bus, is provided to older residents with no means of transportation to and from the center.

- Weekly trips to grocery stores, assistance with shopping and carrying packages is provided.
- Field trips to malls and other places of interest are scheduled each month.
- Trips currently scheduled for August: Walmart (8/2), Publix (8/9 & 8/30), Fresco y Mas (8/17) and Sabor (8/23).

**RECREATION ACTIVITIES:**

Recreational and social events are planned each month at the senior center. The following activities are currently planned for August: celebration of August birthdays and anniversaries (8/16); weekly Bingo games (8/6, 8/13, 8/20 and 8/27); and shopping trips to Walmart, and various grocery stores each week. Additional recreational activities
