

City of Miami Springs
Centennial Committee
Donation Letter

Dear Prospective Donors,

The City of Miami Springs is thrilled to have the privilege of Celebrating 100 Years of service to its citizens. The celebration will include special events held throughout 2026.

The City was founded by Glenn Hammond Curtiss, "The Father of Naval Aviation", and Missouri cattleman James Harris Bright, and was originally named "Country Club Estates" before being renamed after a spring located in the area which provided parts of Miami with fresh water until the mid-1990s.

Currently, the beautiful City of Miami Springs that is located at the heart of Miami Dade County, will be happy to host events for both residents and non-residents to participate, attend and most importantly enjoy!

We know our community loves celebrating and we want you to be a part of the celebration of food, family and fun during our special dates and events.

We are soliciting your donation for this 100th year celebration. We need your support as we come to recognize our past achievements and celebrate where our foundations began and how they lead us to our current wonderful community.

A donation form is attached to this letter and Charitable contributions to governmental units may be tax-deductible under Internal Revenue Code (IRC) Section 170C(c)(1) if made for an exclusively public purpose. We want to thank you in advance for your donation.

The City of Miami Springs welcomes you aboard for the celebration!

Sincerely,

Maria Mitchell
City of Miami Springs Mayor

Julie Arias
Miami Springs Centennial Committee Chair
